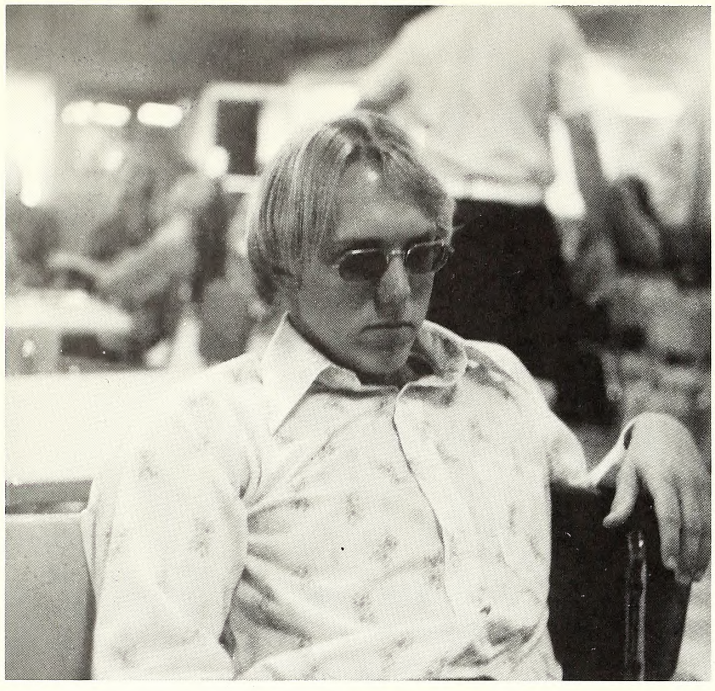
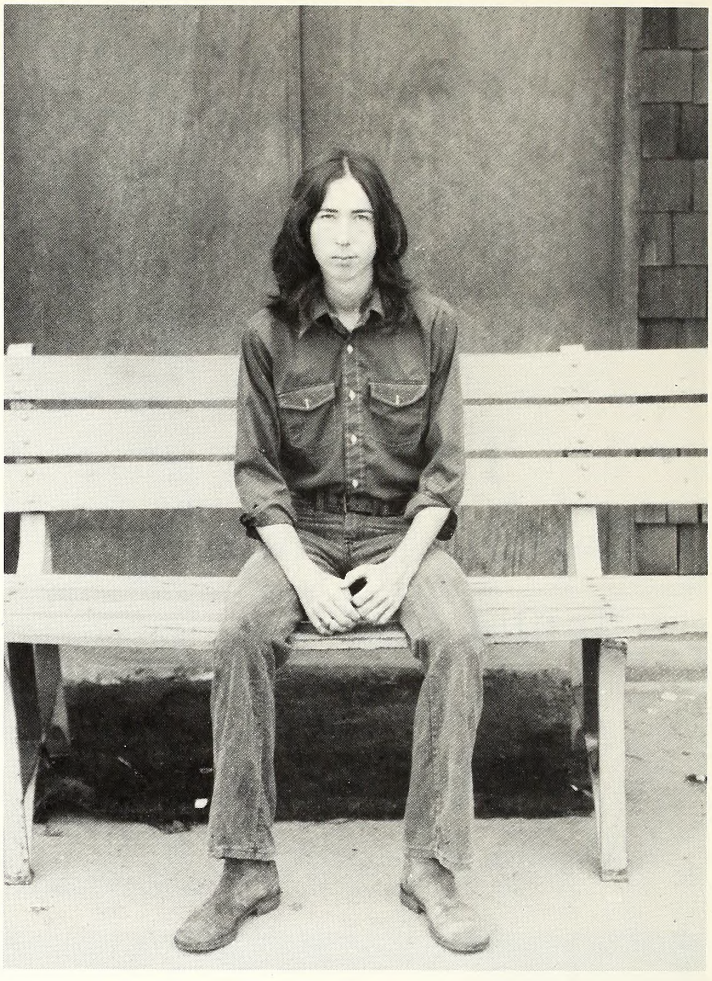
Life . . . so simple
in the beginning just
food and warmth
then the complexities
creep in
causing loneliness,
thought, and wonder . . .





My moods are many; they come and go. Not one can capture what is really me. Still, what I feel today is real, and if I cry today and laugh tomorrow that is all a part of the person that I am.

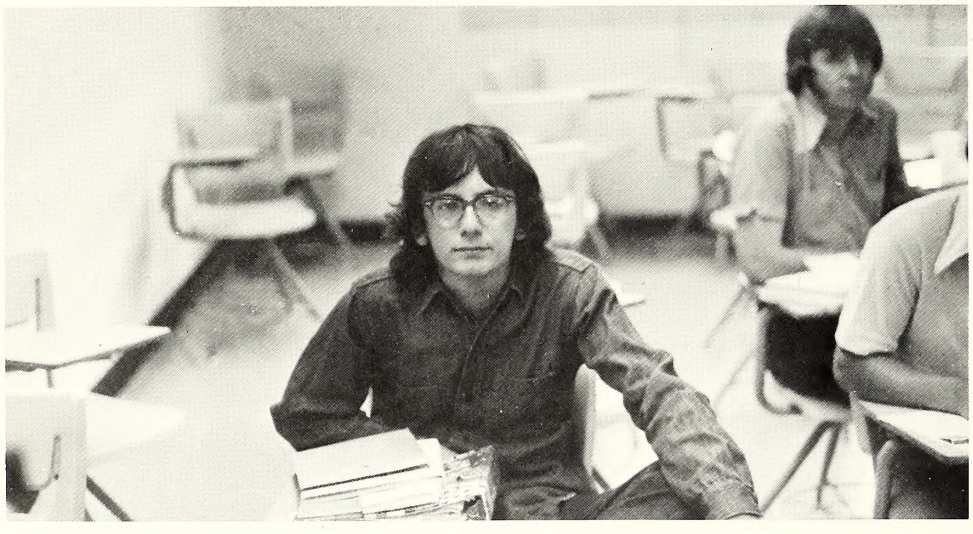
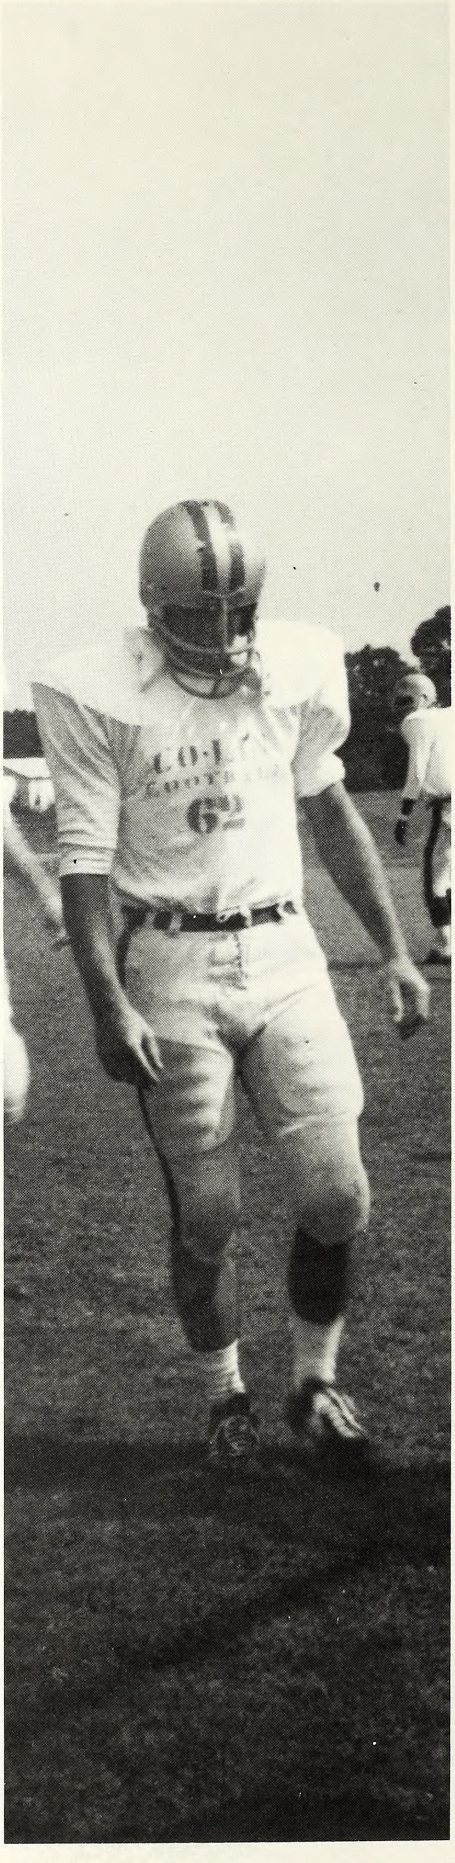
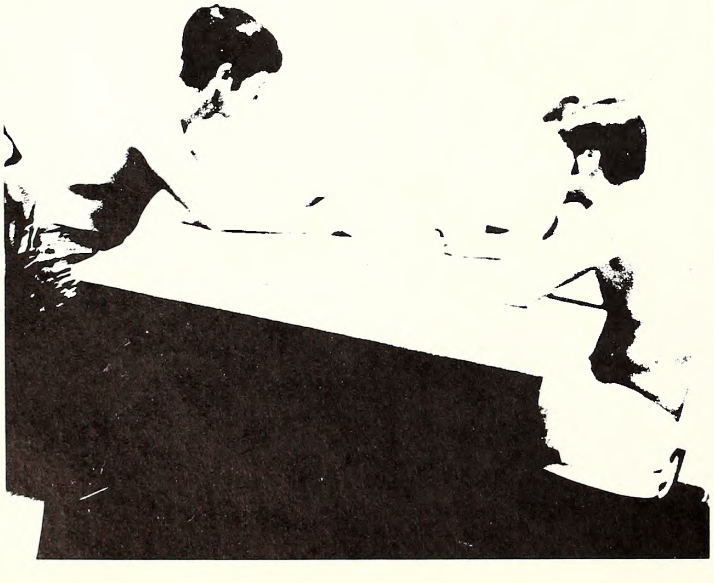
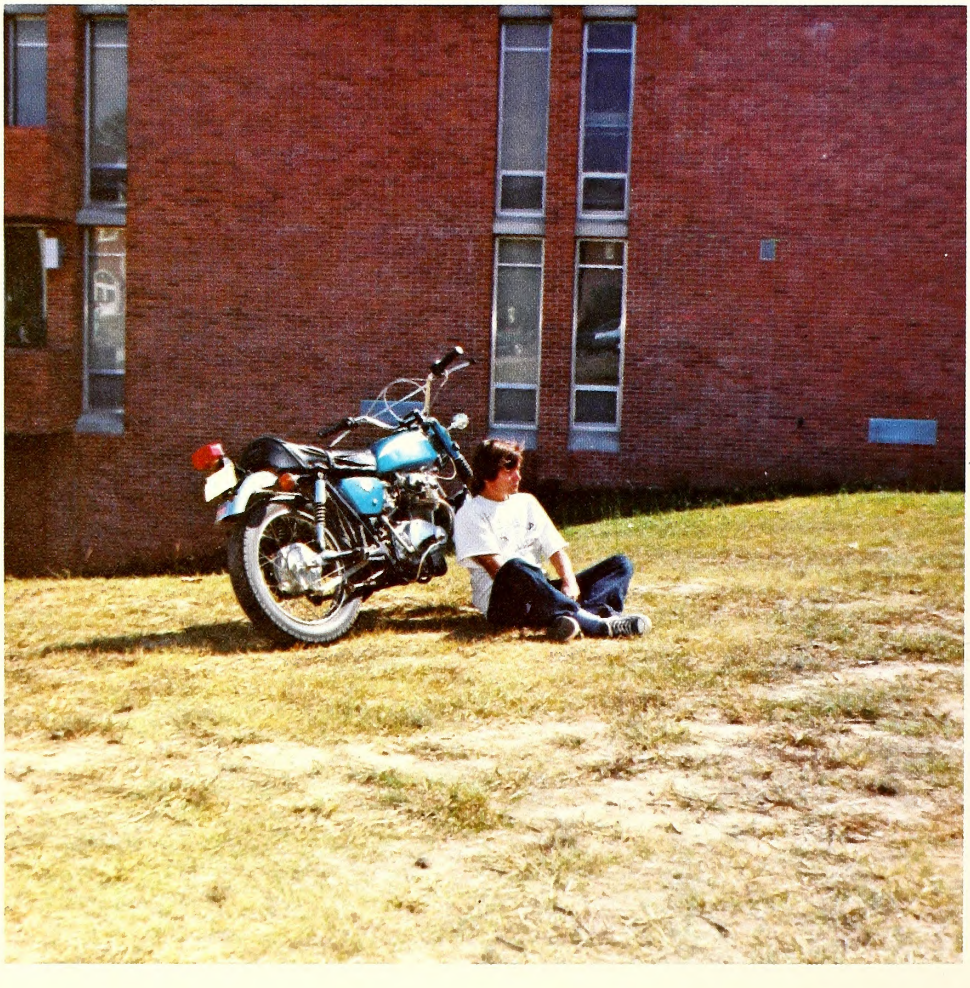
For companionship, for understanding, for strength, we need one another. With belonging and acceptance comes a feeling of security that is as simple and overwhelming as a child. We need to share our experiences, but most of all, we long for something we can call our own.



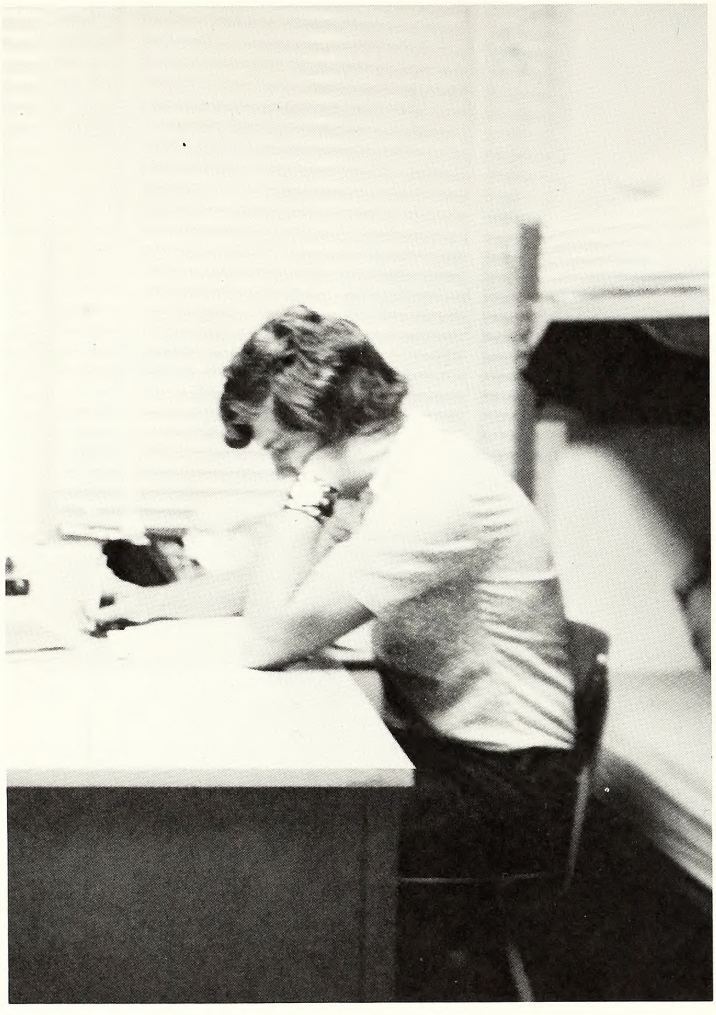


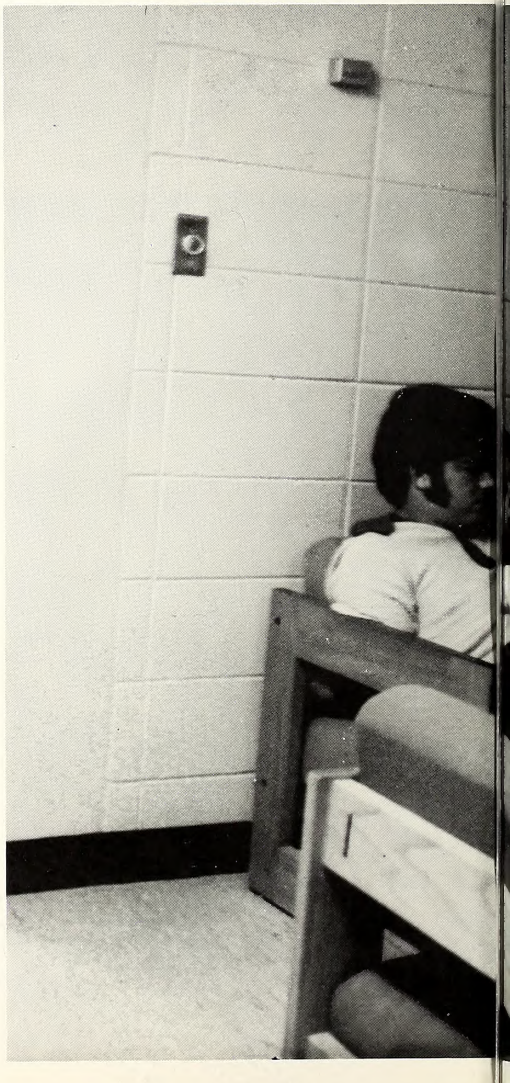


We all wear masks, but none of them pass for our true selves. The time eventually comes that the mask is no longer satisfying and we must seek the truth about our world and ourselves. Seek it with honesty, because our very existence may depend on what we learn; with courage, because truth has been known to make even strong men falter.



There is a real sense in which each of us is always alone. It is a part of us that belongs only to ourselves and no one else. There come the times when this part of us must have moments to sneak away, to hide, and to reside in solitude.





These gestures, seemly insignificant, are fractions of the whole. Like a chain composed of links, experiences are vital to life. Each one, whether great or small, alike or unlike, is necessary for the other. Every experience is unique . . .

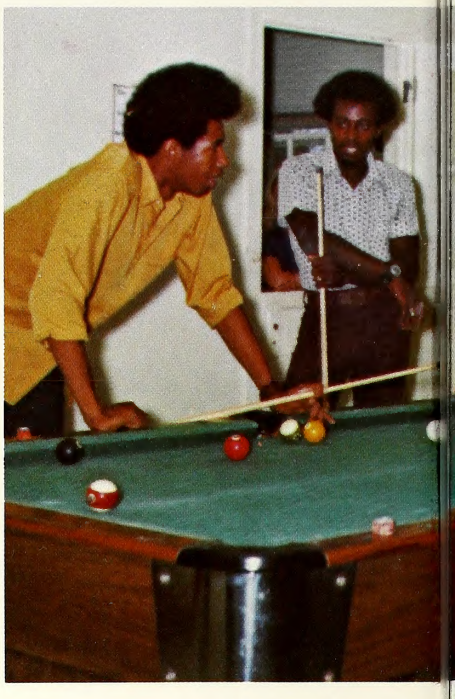
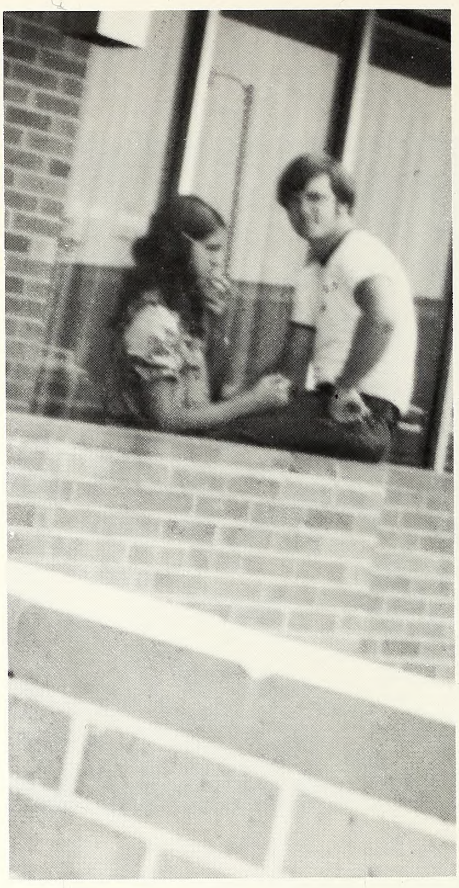
HAPPY BIRTHDAY



In our own way each of us is living and searching for something that will make life worthwhile for not only ourselves but for others as well. Ceaselessly we must seek out new ideas, new beliefs, new modes of behavior. Sometimes we learn that to seek is as good as to find, but no one can afford not to look at all.



Individuals meet other individuals. All are similar, yet each one possesses a certain spark of diversity putting him apart from everyone else. No two are the same. So as some are meant to follow, others are destined to lead. When he speaks, he is heard.

President Thames Gives Co-Lin New Life With New Buildings

President Billy B. Thames gave a new life to Copiah-Lincoln Junior College when he became president in January, 1968. In his quest for a better Co-Lin, President Thames has helped make possible the addition of several new buildings on the campus.

Since he has become president, a ten year building program has been initiated. On the drawing board are plans for a million and a half dollar Student Center, a health occupations center, and a new field house with construction to begin this semester. Already completed are Lula Stevens Hall, Dwight A. Harris Transportation Center, J. J. Wesson Data Processing Center, the J. S. Youngblood Air-Conditioning — Welding Complex, and the Maggie Flowers Ewing Fine Arts Center.

Renovations have been made on Memorial Library, Ellzey Hall, and the separation of the college bookstore and grill. Smith Hall was under construction when Mr. Thames came to Co-Lin.

A nine hole golf course was constructed on the campus, and improvements were made to the football stadium. A new baseball field and new tennis courts have been constructed.

Presently a drive is being constructed to circle the campus. All existing buildings were improved upon, such as the addition of the private dining hall, the renovation of the old science building to be used as a student activity center, the addition of radio station, W W C L — F M, and a campus beautification project was enacted.

A graduate of Copiah-Lincoln Junior College, Mr. Thames was born and reared in Lawrence County. While at Co-Lin he was an honor graduate and was selected to the school's first Hall of Fame. He obtained a Bachelor of Science degree from the University of Southern Mississippi in 1958 and a Master of Science from USM in 1959. He is continuing his education by working on a doctorate degree at USM. Mr. Thames, who has been on leave of absence since December, will complete his residence requirements for his Ph.D. in August.

Before becoming President, he was associated with Belhaven College in Jackson, the Jackson Public Schools, and the Attala County Schools.

He is a member of the Mississippi Education Association, Copiah-Lincoln Education Association, National Education Association, and Phi Delta Kappa, national education fraternity. He is on the Board of Directors of Bank of Wesson, Choctaw District Leadership Training Chairman, Boy Scouts of America; and Sunday School department teacher and deacon, Wesson Baptist Church. He is a member of Brookhaven Kiwanis Club, Red Red Rose, Wesson Lions Club, and was a charter member of Wesson Jaycees.

He and Mrs. Thames, the former Anne Allen, are the parents of three children, Rachel Lynn, Rebecca Leigh, and William Bass, Jr.

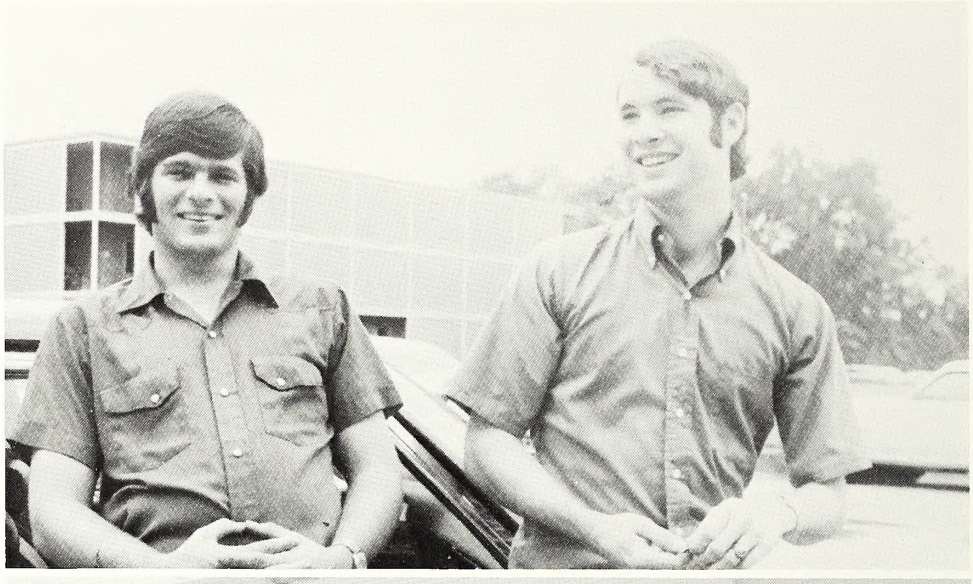
Miss Willie Mae Hamill



Anticipation and fear ramble through the new student's mind as the time of transition approaches. In just a few weeks, he is transformed from a kid wet-behind-the-ears to a necessary part of our community — his community. This change creates moments of confusion as well as a desire to become more involved. But anything of value is worth waiting for . . . and so he waits.

If we learned anything in these years, it is that nothing remains the same. All of life is change, and to see that fact most clearly we have only to look at ourselves. We have become men and women seeking our place in a world that constantly changes.

COACH LAWRENCE SMITHMIER
HEAD COACH M. K. TURK

Wolves Win 25, Lose 3, Win State Championship

Take a team that ranks third in the nation and that is nationally ranked all season. Take a team that wins the overall Mississippi Junior College Championship and the South Mississippi crown. And a team that is the last junior college in the nation to be defeated.

Add 25 wins and only 3 losses.

That's the success story of the 1973 Wolves and of Coaches M.K. Turk and Lawrence Smithmier.

At 18-0 the Wolves are THE NATION'S ONLY UNDEFEATED TEAM. Along comes fifth-ranked in South Mississippi, Meridian, and downs the Wolves, then fifth nationally, 88-79. It's the final week of regular play. And the lights go out with 5 seconds left in the half against Pearl River and the Wolves are leading 39-25.

The team gets revenge over MERIDIAN in overtime 88-84 in the South Tournament. The Wolves win the South Mississippi championship for the second straight time by beating Gulf Coast.

In the state tournament, wins over Northwest and Itawamba bring the trophy and state crown to Co-Lin, the first time in 25 years and only the third time in the college's history.

In the State NJCAA Qualifying Tourney held here Co-Lin gets a forfeit from Pearl River and goes into the semi-finals. The Wolves beat Northwest again. Utica at 26-1 and Co-Lin at 24-1 battle for the topseeded Mississippi spot. Utica wins in overtime by one point, 84-83.

The Wolves go to Paducah, Ky. as favorites in the Region VII NJCAA Tournament, having been ranked number one all year. In the opener the Wolves win over Somerset Ky. 92-86. But Motlow State Community College in Tennessee ends Co-Lin's success story by winning 90-74 in a poor performance by the Wolves.

THE WOLVES IN THE FINAL NJCAA POLL RANKED THIRD IN THE NATION, JUST BEHIND WRIGHT OF CHICAGO AND GULF COAST OF FLORIDA.

It's been a whirlwind all season . . . followed by hundreds and hundreds of loyal fans . . . the fact you won 25, lost two at home, and only one on the road with 26 points the deciding factors, the only Mississippi team to win a game in Region VII Tourney, all starters getting All State Honors, the sophomores posting a two year winning record of 49-9, and the state, region, and national attention and news coverage.

VICTORIES were over Holmes 68-54, 70-68; Delta 95-63; over Southwest 86-67 in the Co-Lin Invitational and 77-64 over Hinds in the finals to win the overall trophy; East Central 101-67; Jones 79-73, 89-72; Southwest 94-78; 99-77; USM Freshmen 99-80, 86-63; MERIDIAN 84-71; Hinds 86-67, 104-58; Gulf Coast 88-72, 70-66; Pearl River 77-70; in the South Tourney over MERIDIAN 88-84 and Gulf Coast 75-69; in the State Tournament over Northwest 92-83 and Itawamba 60-52; in the State NJCAA Qualifying Tourney over Northwest 84-72 and a forfeit by Pearl River; and over Somerset Ky. 92-86 in the Region VII Tournament in Paducah, Ky.

LOSSES were to Meridian, redgate, referees, rednecks, and company 88-79; Utica in overtime 84-83; and to Motlow State 90-74.

What a year it has been! One that Wolf fans won't soon forget.

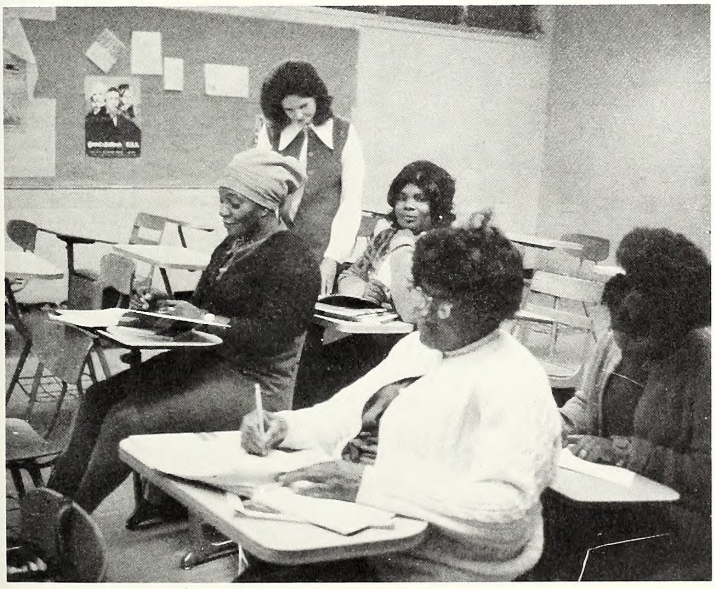
Adult Basic Education Expects 1,500 Enrollment

At least 1,500 adults were expected to enroll during the 1972-73 school year in Adult Basic Education. Last year 940 individuals attended ABE classes throughout the Co-Lin district.

Adult Basic Education is offered to those 16 years of age or older who have not completed high school. Upon completion of the three cyles, a student may take the General Educational Development (GED) test, the equivalent of a high school diploma.

Instruction is from grades 0-12. Local teachers serve as instructors. Classes meet as a rule at the local high school.

Classes this year were conducted at Magee, Mendenhall, Calvary Bible Institute, West Union, Crystal Springs, Wesson, Hazlehurst, Newhebron, Monticello, Topeka-Tilton, Bogue Chitto, Enterprise, Loyd Star, Fayette, Meadville, and other centers. Edgar W. Martin is director of Adult Basic Education.



Let today embrace the past with remembrance and the future with longing, for yesterday is but today's memory and tomorrow is today's dream.

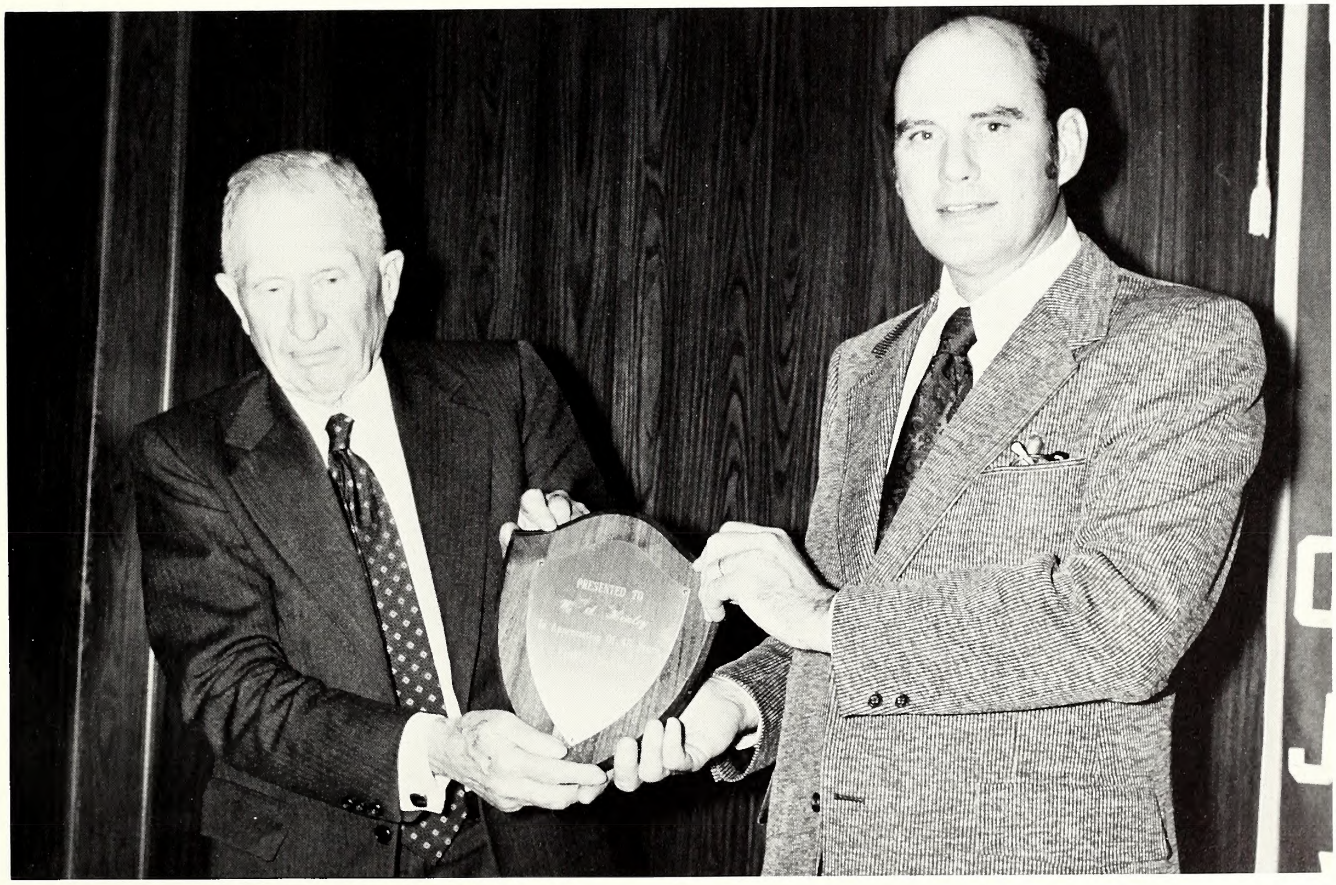
Board Honors Mr. Henley for 48 Years of Service



Dr. Jim Stribling presented a plaque to Mr. W. S. Henley on behalf of the Board during the regular December Board meeting. It was presented for "48 years of dedicated service" to Copiah-Lincoln. Dr. Stribling, in making the presentation, stated that often those who give so of themselves aren't recognized until their retirement and that the Board felt it should honor Mr. Henley in the height of his service to Co-Lin "because of our love and respect for him." Mr. Henley has served as President of the Board of Trustees since 1934.

Life rushes by at such a hurried pace that we sometimes fail to grasp the little things. Instead we concentrate our efforts on mysteries which, in spite of the diligent labors produced to find a solution, can be solved only by examining a genuine smile, an approving nod, or an outstretched hand.

Homecoming Brings Many Visitors Back

In Memory of Martha and Silky

Students and faculty were stunned over the deaths of Martha Lorene Leigh and George Michael "Silky" Sullivan following an automobile accident on September 20. Memorial services for the two popular sophomores were held in Rea Auditorium and many students attended funeral services.

Martha, 19, was the daughter of Mr. and Mrs. Ellis Leigh of Natchez. Silky, also 19, was the son of Mrs. Wilma Sullivan of Magee and the late George Sullivan.
